

# APN Women's Writing Workshop

Africa Philanthropy Network  
Voice and Action for African Philanthropy

Africa Philanthropy Network is hosting the 2nd edition of the Women's Writing Workshop from 7th April- 5th May.

The month-long virtual workshop (taking place weekly) aims to:

- equip women writers with necessary knowledge and skills to tell engaging and informative stories on African Giving,
- reshape the dominant narratives of African giving, and replace them with what we know of African giving to be.

Adult women\* of all writing levels are welcome to apply. Click on the link below for more information as well as the application form:
